***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

With the nail structure comprising the head, the shaft portion, and the point, in the examiner's opinion, the prior art neither discloses, nor fairly suggests the claimed connecting bands abutting both ends of the shaft portion in combination with the other claimed structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
